# ENGINE MAINTENANCE BECOMES EASY AND SAFE

We supply a wide range of access equipment for on and off wing engine maintenance. Like our equipment for inspections, maintenance and storage:

+ Fan Blade Carousel

+ Fan Blade Dolly

+ Engine Pedestal stands

This equipment is suitable for all engine types, combination stands are possible as well.

## Key Benefits

- + Ideal for inspection of the most vulnerable parts of the engine and fan blades
- + Provides an ergonomic working position for the mechanic
- + The Fan Blade Carousel rotates, so the mechanic can remain in the same place
- + Fan blades are placed in correct order in carousel and dolly
- + Brake to lock the Fan Blade Carousel in right position for easy inspections and maintenance

## Specifications

- 1 NIJL has a proven record with leading airlines, MRO's and aircraft manufacturers
- 2 All stands and stairs equipped with reduced footprint
- 3 Turn-key delivery: full service package
- 4 Multifunctional stands
- 5 Short Turn Around Time
